

## Take Charge of your Retirement Destiny

As we age, most of us want to live independently as long as possible. The last thing we want is to burden our children who are working or recently retired themselves, and have their own lives and responsibilities. It was once the norm to move in with your children, but seems to no longer be the preference for aging adults. Seniors are now planning ahead for their future and choosing their retirement community so their children do not have to make that choice for them. It really appears to be a “win-win” for everyone!

Living in a retirement community allows you many freedoms, as you do not have to rely on your family for daily needs, such as transportation or your social calendar. It is also wonderful to have great meal options and great friends to dine with. Establishing great friendships with people your own age who share your common interests and giving you the freedom to visit with your family for those memorable times... this lifestyle gives you the best of both worlds! There is definitely something to be said about maintaining your privacy and having your own place to hang your hat!

If you have not looked in to a retirement community yet, it is never too early. Deciding on a community that is the best fit for your lifestyle is very important and visiting communities to experience it for yourself is key. Start today by attending the **Independence Hill Open House Breakfast and Tour of Homes on January 26<sup>th</sup>, starting at 9:00am.** You will be able to experience our wonderful breakfast buffet, tour a variety of homes, and experience our fun-filled lifestyle. While you are there you can also learn about our other communities within the same campus that offer a resort-style neighborhood of homes for adults 55+ and our Assisted Living. Like anything else, planning ahead is empowering and will allow you to choose your destiny. At Independence Hill Retirement Community, the Lifestyle Specialists have years of experience helping seniors find the best place for you to call “home”! We would love to help you with making your retirement decisions come true. Please **RSVP by January 23<sup>rd</sup>, at (210) 209-8956** for our Open House.

Cheers to your Happy Retirement!
